WEDGWOOD
No. 100
514 750

The illustration given in this and following pages may be used as the basis of the exercise here in ruler drawing, free hand, or in clay modelling. If clay modelling is taken upon ruler work, accuracy, model used to be used. Great care to be exercised in the construction of the model, to such extent as to be possible.

32

Use the ruler and compass to draw the square and the pattern. The pattern is a square with a circle inscribed in it, and four lines drawn from the center of the circle to the corners of the square, forming a four-lobed pattern. The pattern is to be drawn in pencil or light ink, and then colored or gilded.

This is the form of the clay model which the pupil is to draw. The drawing is to be done in pencil or light ink, and then colored or gilded. The drawing is to be done in pencil or light ink, and then colored or gilded.

The exercise here is to draw the patterns in brush. The patterns are to be drawn in brush, and then colored or gilded. The patterns are to be drawn in brush, and then colored or gilded.

Ruler work and free hand combined
