John G. Weller

~~Be it also enacted that~~

10000 inhabitants and of
a climate as to support agriculture
and navigation, for which there is now
an advantage over the Mississippi
and Ohio which is equal to that
of the Atlantic and Pacific and
affords a very favorable and
convenient situation for the
development of the country and
the extension of the trade and
commerce of the United States and
is now probably the best and
most eligible.
