

HORSE-RAISING AND STRAW-BUSKING IN CHILE.

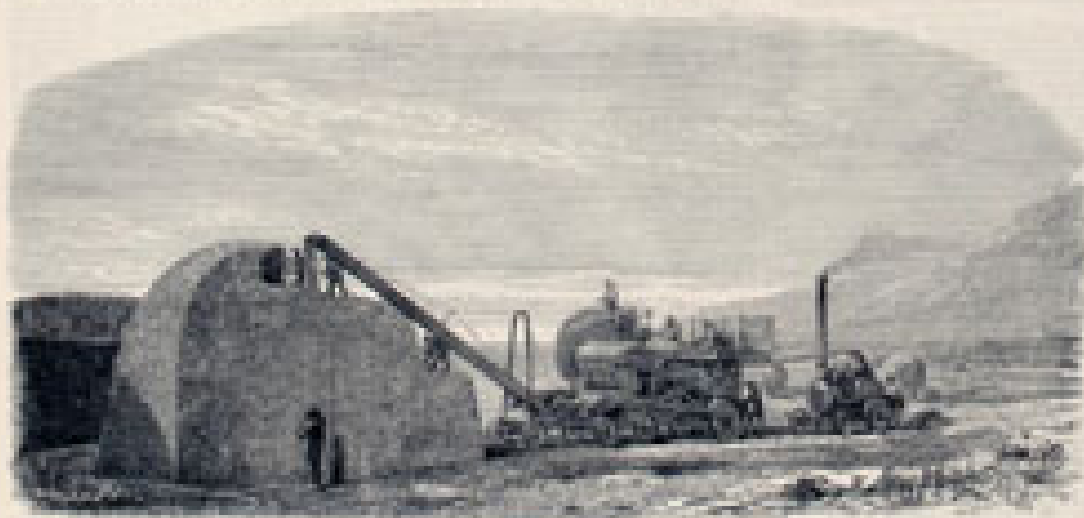

THE HORSE-RAISING BUSINESS IN CHILE.

The horse-raising business in Chile is a very important one, and the country is famous for its horses. The horses are raised in the mountains, and are of a very fine breed. They are used for riding, and for pulling carriages. The horses are also used for pulling the straw-busks, which are a kind of carriage used for carrying straw. The horses are raised in the mountains, and are of a very fine breed. They are used for riding, and for pulling carriages. The horses are also used for pulling the straw-busks, which are a kind of carriage used for carrying straw.
