The National Council of Teachers of English wishes
publicly to extend to Gabriela Mistral its warm congrat-
ulations upon her receipt of the Nobel Prize for Literature.

The Council is proud that this singular distinction has
come to a poet and teacher of the Americas. We who hold
cultural ties to be the most abiding forms of friendship are
grateful that the national poetess of our neighbor, Chile,
has been so gifted with divine fire and an understanding of
the human heart as to make this international honor the
natural reward of merit.

We hereby authorize our president to extend to Gabriela
Mistral our sincere and humble appreciation of the honor she
does us all.

Helen W. Hartley
President
