Dr. W. H. MacAlarney,
Plymouth, Pennsylvania.

Dear Sir:

I do not know whether your letter has been answered, as I have been having a series of unreliable secretaries. If it has not been answered, it is probable that one of these has stolen your stamps.

I do not understand anything about stamps. An American friend has read your letter to me. When my mail arrives it is opened and classified for me. If your stamps have been lost I am very sorry.

Yours truly,

Gabriela Mistral
