Miss Gabriel Mistral,
c/o Chilean Consulate,
Los Angeles, California.

My dear Miss Mistral :

I am writing you in regards to your views on the spiritual condition of the world and especially those in your country.

Some people seem to think the world is turning away from God and His teachings while others say there is a rebirth in the true Christian ideals and principles.

Many returning veterans are building the churches here and we are indeed proud of that. They seem to know what a Supreme Power is and want us to learn to accept and serve that same God.

I will appreciate any statements that you wish to make concerning this matter.

With respect and friendship, I am,

Faithfully yours,

Kenneth E. Crouch
