Dear Signora de Alcayaga:

I have been privileged to send you, under separate cover, a copy of the Paterson Chapter American Red Cross Annual Report 1945-1946. I trust you will find it most interesting.

As part of a program which I am coordinating between our College Unit at Paterson State Teachers College and Paterson Chapter American Red Cross, we have selected prominent women in Latin America to receive this report.

We would be pleased to hear from you in relation to educational and cultural material on Chile which you may be able to send.

The United Nations Organization emphasize the need for the Americas to work together for a pattern of peace and mutual understanding. It is my belief you can render valuable service in this respect.

As a poet and educator, we would be pleased to know more about you personally.

Thanking you sincerely and awaiting your reply

Very truly yours  
*Gertrude T. Beckingham*
