Dear Miss Mistral:

I was delighted to receive your letter of November 2 and to know that you had received publicity on the NBC program of November 9, featuring Mrs. Bodil Begtrup, of Denmark, as the speaker of Zonta International. It was very gracious of you to state you would do all you could to publicize this program, and I hope you were able to do so. I shall be glad to know how you liked the program.

From time to time during the past months, we have received newspaper clippings, telling of your activities on the Pacific Coast, from our International second vice president, Dr. Elizabeth Gist Dozier, of San Fernando, who states that you have been a very popular visitor in Southern California.

Sincerely yours

Lucile D. Edgar
