California - That will
be like Chile -
I've concerts in Canada,
and has asked, while
there to take charge of the
Singing at McGill University -
That was too cold. The same
thing happened in Australia -
and I was at Melbourne
University. - Australia's
climate is very pleasant.
Something like Chile, but
better. The people in sunny
countries are easier to live with.
I shall hope to have the
pleasure of meeting you.
In the meantime may
all good attend you and Luck.
Your very Sincere Admirer
Anita Haigh-Jackson
