Dear Miss Mistral:

We weremost greatly supriised to learn through our mutual and dear friend, Mrs. Kerr that you are no longer a neighbor of Santa Teresita.

It was our wish that you would be here for our Confirmation and graduation exercises on June 30th. Seven of our young tubercular charges will receive their High School Diplomas that afternoon in our Chapel and Confirmation will be conferred to another group of patients.

The interest you have always shown towards our girls prompts me to appeal in their behalf for this special occasion. As you understand these patients are poor and there are heavy expenses attached to graduations. May we interest you in this purpose on their behalf? Any amount towards their Graduation Expenses Fund would be deeply appreciated and abundantly rewarded through their prayers and sacrifices, rest assured!

We are enclosing a clipping from the Tidings of last week of which we feel very proud. I am also availing myself of this opportunity to extend our hearty congratulations for the honors you have received from American Colleges. May it all be for the GREATER GLORY OF GOD and our MOTHER CHURCH!

If you are ever again in Southland for a much needed rest permit me to invite you for a week-end retreat with our Sisters in Alhambra. Jesuits from Isleta College and from Mexico are scheduled for retreats in Spanish this summer. The enclosed folder will provide more information.

With prayerful good wishes from everyone at Santa Teresita, I am as ever,

Trustingly yours in Christ,

Sister (Dominica) Angela, Superior
