Miss Gabriela Mistral
729 East Anapama Street
Santa Barbara, California

Dear Miss Mistral:

The Associated Press has received several requests for an article on your current activities, especially any literary work contemplated or under way at present.

I would appreciate your granting me an interview at your home at your earliest convenience. In the meantime, perhaps your secretary would be good enough to compile and mail to me the biographical data necessary for incorporation into a well rounded feature story.

Cordially,

Ralph Dighton
