The Honorable Gabriela Mistral

Roslyn Harbor, L.I., New York

Dear Madam:

It was very nice of you to write such a thoughtful note as was yours of November 10th, which I received here in Lima, where I have been on business.

Very few people take the trouble to show such tangible appreciation for the services of others as you have in this case.

I know that Mr. James Cook will be extremely pleased with the tribute that you paid him.

Letters like yours give people like Mr. Cook the inspiration to carry on in making friends for the company.

With renewed thanks, I am

Sincerely,

P. W. Grace
