Dear Miss Mistral,

From Doris Dana I learned, that you are going to leave this country, that you are spending, however, still a few days in Los Angeles. It would be a pleasure and an honour for me to make, at least in the last moment, the acquaintance of a personality whom I sincerely admire and whom I personally owe much gratitude. As you were kind enough to say, that you were willing to meet me, I take the liberty of asking you to call me up (Santa Monica 5 4403) when you are in Los Angeles in order to arrange an interview.

Looking forward to meeting you

Sincerely yours

Thomas Mann
