February 18, 1954

Dear Miss Mistral:

As you no doubt are aware, our beloved Professor Albert Einstein will reach his 75th birthday on March 14th.

The Albert Einstein College of Medicine of Yeshiva University is planning to honor him with a Festschrift from a number of his colleagues and friends throughout the world. We are writing to ask you for your co-operation in sending us a letter for inclusion in this volume.

The Committee in charge of assembling this Festschrift would appreciate a statement from you evaluating Professor Einstein's contributions to modern science and cosmology, as well as the significance of his efforts to bring about not only a better understanding by man of his universe, but also of his fellowmen.

Please accept our sincere appreciation for your co-operation in helping us to make Albert Einstein's 75th birthday one that will long be remembered by Dr. Einstein and his many friends.

Cordially,

William L. Laurence

WILLIAM L. LAURENCE
Science Correspondent, New York Times
Co-Chairman, Albert Einstein 75th
Birthday Committee
