Miss Annetta I. Clark
Secretary of the Board of Trustees
Smith College
Northampton, Mass.

My dear Miss Clark:

Ambassador Mora has written you the impossibility of my attending in June the commencement at which you wished to honor me with the presentation of the honorary degree.

It has been very painful to me not to be able to fulfill my promise. However, after having served for the past seven months as minister to the United Nations, I received orders from my Government which I had to carry out at once, and which have caused my return to Los Angeles.

During the coming year, at the invitation of the Department of State of the United States, I am to make a tour of the most important colleges and universities all over the country. This trip, for reasons of my health, is to be divided into three parts. Therefore, if you could give me the date on which the ceremony is to be held next year, I would be glad to arrange my visit to your college at that time.

I thank you again for your thoughtfulness.

Sincerely yours,

Gabriela Mistral
