Mr. Milano Risfidi

Los Angeles 5, California.

Dear Mr. Risfidi:

Several months ago I received your letter of March 30th in reference to a Dr. Giovanni Merlo. As to whether I am acquainted with Dr. Merlo, I cannot assure you. However, if you would refresh my memory by telling me a little more about this gentleman, who he is and his present whereabouts, I may be able to answer your question. I would be interested in knowing too, when he shall be coming to the United States .

My failure to answer promptly has been due to a number of unfavorable circumstances, but now my health is improving and I am more settled and able to attend to my correspondence.

Thanking you for your interest, I remain,

sincerely,

Gabriela Mistral
