Bergslund Sweden 19/1 48

My dear Gabrielle!

May I write you in English
it is a bit easier to me?

I was very, very happy to have
your letter and to hear that
you are on the road of complete
recovery and speak of the beautiful
coast of California. You must
have had a very hard time and
my heart goes out to you.

I wrote you a long letter in sept.
46 when I was with my friend
Le Botanica on a lonely island
where her father keeps hundreds
of sheep. I told you how
the old grandmother sheep took
the command over the whole
flock when there were no
shepherd and no ram.
