Chilean Consul General
Los Angeles, Calif.

Dear Miss Georgi:

Thank you very much for returning the signed contract, and for your note enclosed.

As you know, problems of production are great at this moment, but we are pushing things through as quickly as possible. When we have the album complete we will send it on to Miss Mistral for her approval. If you have a more definite address in the next two months would you please send it on to me so I may be sure that the records are received.

Thank you again for all your assistance. Best wishes from Margarita Madrigal and myself to you and Miss Mistral. (And breathe some of California's wine-like air for me.)

Que cuando está el album completo se lo mandan para que lo apruebe y que haga favor de mandarle la dirección definitiva

Sincerely,

 Alice Marble
 (Vice-President)
