Dear Madam:

Under attached cover we are sending you the current copy of SOUTH Magazine, the only magazine of travel in the United States devoted exclusively to travel southward.

In a forthcoming issue we would like to carry a photograph of you and brief mention of the Nobel prize which was awarded you for your book of poems.

Also, we would be interested in knowing if you would be interested in submitting prose material to us at various times throughout the year on your native land, Chile.

If you do not have a photograph available to send to us, may we have your permission to get one from the Carlyle Studios in New York?

Andrey Adele Georgi, who is one of our contributors, was the means of our contact with you.

Cordially,

SOUTH
