My dear Dr. Mistral:

I am pleased to send you by separate mail a copy of the December 6th issue of LIFE en Español.

In this issue we have devoted our "Carta de Norteamérica" to a report on Columbia University's recent conference on "Responsible Freedom in the Americas" reprinting excerpts from several of the papers presented to the conference, including your own. The article is illustrated, as you will see, with a picture of you and five of your colleagues.

May I extend my congratulations to you on receiving your newest honor from Columbia University as well as for the distinguished part you played in the conference?

Sincerely yours,

Wm. P. Gray
