Re: Dutch edition of Mistral poems

Dear Mr. Nagels,

Thank you for your letter of May 2nd and the return of the signed contracts. Miss Dana is on an extended trip through South America; I have the power of attorney and I am returning to you your copy of the contract which is duly initialed and signed on behalf of the author.

You will meanwhile have received my letter of May 3rd. I realize now that our assumption that the rights granted to you were restricted to Belgium only was erroneous. The previous correspondence shows clearly that you had negotiated for Dutch language world rights and accordingly we are keeping this definition of territory in the contract.

The translation of Dr. Wijdeveld's introduction was sent by us to Miss Dana in Colombia. Please note the enclosed carbon of our letter to her. We trust that you will hear from Miss Dana within a few days.

The photograph of the author and photographs of 10 pages of manuscript are enclosed herewith.

We can also acknowledge with thanks the receipt of your check in the amount of \$500.00 representing the advance due on signature of the contract.

Sincerely,

for Joan Daves
