Dear Miss Dana,

We received today five photographs of Gabriela Mistral and assume that you wish us to send them to the Belgian publisher of Gabriela Mistral's poems. Thank you very much for supplying them.

We notice that none of the prints carries a caption or credit line and wonder whether there aren't any. We feel that a caption would give the picture more significance and would be of great interest to the reader. Do you think you could give us a line or two for each picture?

These are the pictures you sent to us:

- 1) Gabriela Mistral and Dag Hammarskjöld _____
- 2) Gabriela Mistral as a little girl _____ me
- 3) Gabriela Mistral standing by a tree _____ me
- 4) Gabriela Mistral at her writing table _____
- 5) Close-up of Gabriela Mistral _____ me

You do not mention any fees. Are no fees involved?

We are sending a carbon of this letter to Santiago de Chile. Also, you will find there a couple of personal letters which Miss Daves is going to send to ensure that you receive them.

Sincerely yours,

Marie Rodell & Joan Daves
