Re: Gabriela Mistral

Gentlemen,

Thank you for your letter of May 13th. Miss Dana is very pleased that you are agreeable to numbering the verses on the margin of your next edition and to including a prologue by Esther de Caceres and brief introductory notes by Miss Margaret Bates. This material will be sent to you in due time.

Miss Dana has just told us that a second volume of Lagard is in preparation and will be published in South America within a few months. Undoubtedly, you will wish to include this previously unpublished work by Gabriela Mistral in any new edition which you will publish.

Sincerely yours,

Joan Daves
