Re: Gabriela Mistral. POESIAS COMPLETAS

Dear Miss Bates,

Thank you very much for your letter of November 23rd and all the information contained therein.

I very much hope that the deadline of January 1st for delivery of the corrected copy of the book will be a firm one. I do not think that this copy need go via our office and would suggest that you send it by registered mail directly to Aguilar.

Please let us know when you do send it so that we can once again remind them of our mutual understanding regarding Aguilar's new edition. I believe the state of the earlier edition perfectly justifies our insisting on/seeing proofs for correction and / your I do not think we will have any problems in this respect.

I have sent on the photostat of your letter to Doris for her information.

Sincerely yours,

Joan Daves
