

THE HISTORY OF THE

1700

The first part of the history of the world is the history of the human race. It is a story of progress and struggle, of triumph and defeat. It is a story of the human mind and the human heart, of the human spirit and the human soul. It is a story of the human race and the human world, of the human past and the human future.

The second part of the history of the world is the history of the human mind. It is a story of discovery and invention, of knowledge and wisdom. It is a story of the human intellect and the human imagination, of the human reason and the human emotion. It is a story of the human mind and the human world, of the human past and the human future.

The third part of the history of the world is the history of the human heart. It is a story of love and compassion, of kindness and generosity. It is a story of the human emotion and the human feeling, of the human joy and the human sorrow. It is a story of the human heart and the human world, of the human past and the human future.

The fourth part of the history of the world is the history of the human soul. It is a story of faith and hope, of courage and strength. It is a story of the human spirit and the human soul, of the human faith and the human hope. It is a story of the human soul and the human world, of the human past and the human future.
