

LIVERIGHT

October 15, 1972

Dear Doris,

I asked in Scribner's for Crickets & Frogs yesterday and they were sold out - a good omen for sales I hope. But I found it at Doubleday and came away with a copy.

It's a charming book. Antonio's tumultuous crickets and bellows true. Frogs seem just right. and they truly complement the text, which reads perfectly. Love to Margie and to you.
