Dear Miss Dana:

We are now preparing A-LM SPANISH: Level Three, Second Edition. We would very much like to have your permission to include the following selection in our textbook which we plan to distribute throughout the world:

"El niño solo" and "Meciendo" from Desolación by Gabriela Mistral

The A-LM Program uses an audio-lingual approach to the teaching of languages. Therefore, we would like to have permission to reprint the selection in the textbook and to include portions of the material on tapes and/or recordings and in the testing program which accompanies the program, as these materials are essential to the instruction.

A-LM SPANISH: Level Three, Second Edition will be published in 1971 in a clothbound format. It will contain approximately 448 pages and will be sold at the proposed wholesale school price of \$4.50 (no discounts will be applied).

In granting us your permission will you please include permission for transcription into Braille and/or large type. Also, please include the correct form of acknowledgment you wish us to use.

Yours sincerely,

Mary Giorgio
