Dear Joan:

Enclosed are the 11 poems by Gabriela Mistral (12 pages)  
for the Dodd Mead textbook "Literature de la America  
Hispania" edited by Professor Frederick S. Stimson of  
Northwestern University and Professor Ricardo Navas of  
the University of Massachusetts.

I have put my initials in a circle at the side of all  
corrections made by me -- in all, fifteen corrections.  
Some of these represent changes made by Gabriela herself  
in definitive or last published versions. Some are  
simply printing errors or mistakes in copy. One error  
that should be noted especially is the first publication  
date of TEREURA. It should read 1924 -- and not 1938.

When you forward these pages on to Professor Stimson,  
please tell him that I think he has made a very fine  
selection.

Best regards,

Doris Dana
