DODD HEAD

January 12, 1973

Dear Joan,

Now this one is embarrassing. I was 100% sure this had gone off to you long ago. When I left, I scooped up piles of papers from all corners of my study - and I find this among them. It may be too late for any changes in these printing errors or mistakes in copy. At any rate here was my answer. I'm sure I must have a copy of this someplace at home, but just for the record, you might make a copy of it on your machine.

Shamefaced,
