Mr. Donald F. Wisdom
Assistant Director for
Hispanic Publications
Hispanic Foundation
The Library of Congress

Dear Don:

Here are the photographs which I promised. I had to wait to have other copies made. You can keep these for the Library of Congress files.

By the way, the statement for the jacket says that these recordings were the only ones that Gabriela ever made. You will have to delete that since Casdmon made a very long recording which is to appear soon. It does not overlap with the recordings made by The Library of Congress except for one short poem, "Meciendo."

The letter of agreement was signed by me, so all should be in order.

My very warm regards to Howard and everyone at the Hispanic Foundation.

Sincerely yours,

Doris Dana
