Dear Gabriela Mistral:

We are greatly pleased and honored to have you as the guest of our Committee while you are in Washington.

As I told Miss Georgi on the telephone today we plan a luncheon of about 60 women at the Carlton Hotel on Thursday, May 23, at one o'clock. Anita Burke is to preside.

Many of us remember vividly the beautiful speech you made at this same hotel when you were here in 1939. We are looking forward with keen anticipation to hearing you again. I am enclosing some material which will tell you something of the work we are now doing. Please give us your thoughts about this when you speak to us on May 23!

All good wishes to you.

Cordially,

*Mabel Vernon*
