My dear Miss Dana,

I write to you at the suggestion of Mrs. Mireya Lara-Carrasco to request that you very kindly send to me a good photograph of the late Gabriela Mistral.

Perhaps you have already heard from Mrs. Mireya Lara-Carrasco that she and another lady Mrs. Lila Ray of Santiniketan have translated into English a ~~number~~ *number* of poems by Gabriela Mistral and that we are planning to publish them in book form. We should like to include in the book a good photograph; hence my request.

I hope it will be possible for you to grant my request and to send the photograph by air as otherwise the publication will be unduly delayed. Steamer mail takes a very long time.

I understand that you were the poet's friend and companion during the last years of her life. May I say that I have always had great regard and admiration for Gabriela Mistral, as also that I have read some of her poems in the original as it so happens that I know the Spanish language fluently.

I am glad of this opportunity of sending you very cordial greetings,

Yours sincerely,

Sophia Nadia
