Dear Doris:

I enclose one page (out of 48) of the variant notes and the explanatory notes. Some time ago I promised to send to you a list of poems which Gabriela published but then decided not to re-publish. I have made these notes while typing out the variants. The poems which Gabriela decided not to publish in Lagar which are in the Caillouis edition of Poemes are:

"Mi artesano muerto", p. 72

"La liana", p. 122

"Salutación" and "A Berta Singerman" from the pirated NUBES BLANCAS

I enclose the texts of "Estampa de la camarga" and "Las vírgenes de las rocas de D'Annunzio" which you might not have.

After our 100 degrees of yesterday, today is quite pacified...and we are having the house painted!

Be sure you soon in Washington
Love -
M.B.
