Dear Doris:

I have called you a few times by phone but haven't been able to get you. Do you have any idea when the third edition should be appearing? Quite a few people have told me that they have received word that the second edition is now out of print.

There was a note in an Inter-American review regarding a talk you gave in Santo Domingo some time ago. Will you be in the USA for a while?

Very sincerely,

M. B.
