Miss Doris Dana
204 East 20th St.
New York 3, N.Y.

Dear Miss Dana:

Although at the moment I am a civil servant working for the United Nations in New York, I have been associated with the family firm Aguilar SA de Ediciones, Madrid, for quite a number of years before coming to the United States. From time to time, I am requested by my brother Carlos or my uncle Manuel to perform some on-the-spot sort of errands connected with the beautiful business of publishing that I carry out with delight.

The latest request I consider rather idle because it concerns the contract on Gabriela Mistral's works. I am sure that if negotiations have gone as far as it seems, there is no reason to fear any snag. However, when one is three thousand miles away and trying hard to make up a publishing schedule for a whole year, there is a certain tendency to see things a bit differently.

This, I suppose, is the reason why I would be happy to have the chance to have a talk with you concerning the present situation of the Mistral case. I have tried several times to phone GR7-2172 that information suggest may be your number but with no success. Would you be good enough to drop me a line or call PL4-1234, Ext. 132, so that we can get in touch. Needless to say that if at the moment of receiving this letter the contract is already on its way to Madrid, my enquiry would be unnecessary. Nobody better than you can describe the present situation. In any case, it will be a great pleasure for me to have the chance of making your acquaintance.

Yours sincerely

M. Aguilar
