Switzerland
March 5th

Dear Mrs Mestral,

Further to my letter of the 10th of February, I am writing to ask whether I may expect your replies to my questionnaire in the near future. The book is to be published in the States and the publisher is anxious to have it printed as soon as possible. I, in my turn am most anxious to have your views represented.

Hoping very much to hear from you soon,

sincerely yours,

Clara Urquhart
