Dear Dr. Martí-Ibañez:

Because of your interest in literature and in the arts, I am sending you this copy of my recently-published book "Selected Poems of Gabriela Mistral" (The Johns Hopkins Press), with woodcuts by Antonio Frasconi.

I remember that a poem by Gabriela appeared in MD (Spanish Edition) back in the early 1950's. It occurs to me now that MD might be interested in reviewing this new bilingual book of her work.

At present I am completing the task of collecting Gabriela's prose works that appeared during her lifetime in newspapers and magazines all over the world. It is a vast collection. Would MD be interested in prepublication of an article, suitable for your periodical, selected from this material?

Sincerely yours,

Doris Dana

P.S. I am enclosing reviews and comments on the book that might interest you.
