Dear Miss Dana:

Our Radio Broadcasting Company of Santiago (Radio
Minoria) has started the broadcast of a daily program dedicated
to Gabriela Mistral, her life and her works.

In order to make this program more valuable to our
listeners, we would appreciate it very much if you could send us a
few details or personal experiences of the years you spent with our
great poetess, which in your opinion would make our homage to her
memory more complete.

All of us in Chile would be very grateful to you
for any personal information you may give to our program.

Thanking you in advance for your kind - and, we
hope, favourable attention,

We remain,

Yours very truly,

de Veer
