Dear Doris

I received your cable this morning and with great pleasure I know that you and Gabriela are happy of my arriving. Thanks for your kindness. At the same time know that Pussy Willow is the happy mother of four siamese. I am sure that they are beautiful and naughty.

For what refers to my english, dear, do not be so enthusiastic because it is always too little, but hope to progress in it learning it helped by you and by practice.

O dear Doris, am so happy to see you soon again. Am leaving Genoa on May 27. I obtained a good cabin a few days ago, it happened as last time at New York, do you remember? In this way, your vertical city will appear again to me as a dream, next June 5 at 9 oclock. Will you come to the pier? In the affirmative you will be compelled to stand up very early the morning and I am very sorry for it.

Now am packing my things and my friends who come to see me, envy this trip of me that will be possible only on account of Gabriela's kindness.

I stop here this letter because if I want to have lot of things to chat with you on my arrival there.

Much love to both you and Gabriela from me and my family
