

Herald Tribune, Hilo, Hawaii
Course Offered
Jan. 24, 71
In Portuguese

By MARCIA REYNOLDS

An elementary Portuguese language course will be offered for the first time on the Big Island at Hilo College.

The Portuguese course will be available to anyone who wishes to audit or receive college credit.

Dr. Magda Arce will teach the course entitled Elementary Portuguese 101-A to be held from 7-9 p.m., Wednesdays.

Registration is being conducted at Hilo College this week for second semester courses. The first Portuguese class will begin Wednesday. Anyone interested may contact Dr. Arce in room 9-E, Hilo College.

Dr. Arce has traveled extensively in Europe and has developed a fondness for Portugal and Portuguese language, people and customs.

She will use audio-visual aids, records and lectures from her own travel experience in Portugal. The course is geared to teaching reading, writing and speaking Portuguese on an elementary level.

Dr. Arce, a native of Chile, has had 22 years of university teaching experience. She attended a summer session at the University of Lisbon and will

lingual translator for the United Nations, translator for the United Nations Chile delegation and two years as personal interpreter for Romulo Betancourt, former president of Venezuela.

She has been on the Hilo College faculty since April. Dr. Arce said she hopes to have at least 15 persons sign up for the Portuguese course.

Resurrection Flower

According to Christian legend, the resurrection flower sprung up wherever the Holy Family rested in their flight into Egypt. It is fabled to have blossomed at the Savior's birth, closed at the Crucifixion and opened again at Easter whence its name of Resurrection Flower.
