**"La pequeña historia de Chile"** Inicia  
temporada del Teatro Nacional Chileno

"The project known as China" is  
where we are in the process, from the  
beginnings of the first Chinese, until we  
have Chinese Cities and Government  
and had Chinese National Children in  
the schools, the time is fully provided by  
China.

Ensuite, nous avons étudié les effets que les modifications dans les règles d'évaluation peuvent avoir sur la performance des équipes et sur les stratégies qu'elles adoptent pour atteindre ces objectifs. Les résultats montrent que les équipes qui sont évaluées en fonction de leur contribution à l'ensemble de l'équipe sont plus susceptibles d'adopter une stratégie de collaboration et de soutien mutuel.

It would be wrong, given our focus, to neglect the importance of the profession. Despite the low status the law receives in society, many people do regard it as their chosen vocation and provide personal and professional services to the community.

respects the former original. The other  
titles give some hint about the contents:  
"The large Negro's struggle to become  
intelligent", "the black people's  
problems", "the big Negro problem", "an  
analysis of the white Southerner's  
view upon Southern education at present",  
"the conservative Negro's view of  
education", "that is, the conservative Negro  
and his educational importance", "the  
conservative Negro's attitude towards  
the Negro's future", "the Negro's  
attitude towards Negro education", "the  
position and prospects of Negro education in  
Mississippi", "The negro's education as  
he sees it", "Education and Negroes",  
"Negroes and Negroes", "Negroes or Negroes",  
"The Negro's response", "The question of  
segregation in the schools", "Young Negro  
leaders and their life in Mississippi", "segregation  
and the Southern Negro's education and  
Christian education in general", "The  
segregation report", "Southern & the negro  
community", "Negroes and Justice", "A  
Negro's view of education".
