

# Journal of Applied Behavior Analysis

The Journal of Applied Behavior Analysis (JABA) is a peer-reviewed journal that publishes research and practice articles in the field of behavior analysis. It is published quarterly by the Society for Applied Behavior Analysis (SABA). The journal covers a wide range of topics, including basic research, clinical applications, and educational interventions. It is considered one of the leading journals in the field of behavior analysis.

The journal is published by the Society for Applied Behavior Analysis (SABA), which is an international organization of behavior analysts. SABA was founded in 1964 and has since grown to become the largest organization of behavior analysts in the world. The journal is published in English and is available in both print and electronic formats.

The journal is published quarterly by the Society for Applied Behavior Analysis (SABA). The journal is published in English and is available in both print and electronic formats.
