

Entre el León y el Coronel

■ **Stays on schedule**—The 2008 Census will be the 100th anniversary of the first U.S. Census taken in 1790. The Census Bureau is celebrating the occasion with a series of events, including a new book, *100 Years of the Census*, and a new website, www.census.gov/100years.

[illegible]

the 1990s, the number of people in the United States who are obese has increased by 50 percent. In the United Kingdom, the number of obese people has increased by 100 percent. In the United States, the number of obese people has increased by 100 percent. In the United Kingdom, the number of obese people has increased by 100 percent. In the United States, the number of obese people has increased by 100 percent.

the 1990s, a new generation of young entrepreneurs is moving into the market. They are not only bringing new ideas and energy to the industry, but they are also bringing a new level of professionalism and business acumen. This is a good thing for the industry as a whole, and it is a good thing for the consumers who will benefit from the new products and services that these entrepreneurs are bringing to the market.
