

THE CONSTITUTION

THE CONSTITUTION

The Constitution is the supreme law of the United States. It is the foundation of the government and the rights of the people. It is the document that defines the structure and powers of the federal government and the states.

The Constitution is a living document that has been amended many times. It is the document that defines the rights of the people and the powers of the government. It is the document that has shaped the United States into the nation we know today.
