

# What Is to Be Done About the Unemployed? Program for Unemployment

By **WALTER D. DILL**, Director, Federal Bureau of Investigation

THE UNEMPLOYED are a group of people who are not only a burden on the community but also a source of potential trouble. They are a group of people who are not only a burden on the community but also a source of potential trouble.

The unemployed are a group of people who are not only a burden on the community but also a source of potential trouble. They are a group of people who are not only a burden on the community but also a source of potential trouble.

The unemployed are a group of people who are not only a burden on the community but also a source of potential trouble. They are a group of people who are not only a burden on the community but also a source of potential trouble.

The unemployed are a group of people who are not only a burden on the community but also a source of potential trouble. They are a group of people who are not only a burden on the community but also a source of potential trouble.
