

AGUA DE FACHO

By Bruce Fretts

with David Shields

March 1994, 1995, 1996, 1997

Book: *El agua de fachos* (Algunos libros)

During a long and illustrious career, David Shields has written about a wide variety of subjects. He is one of the most respected and influential writers in the world, and his work has been widely read and discussed. In his latest book, *El agua de fachos*, Shields explores the history and politics of water in the United States. The book is a well-written and informative read, and it is a must-read for anyone interested in the history of water in the United States.

Shields' book is a well-written and informative read, and it is a must-read for anyone interested in the history of water in the United States.
