Most studies show positive correlations between the frequency and volume of communication and students' self-reported attitudes. However, students who communicate frequently have also been shown to have higher self-reported self-esteem.

The company's 2003-2004  
 performance shows a steady  
 increase in sales, with a  
 significant boost in the  
 second half of the year.

En 1998, le "Museum of Modern Art" d'Amérique du Nord a organisé une exposition sur les arts de la scène à l'échelle internationale. Cette exposition a permis de découvrir de nombreux artistes et œuvres d'art de la scène, y compris des œuvres de la scène française. Cette exposition a été une grande réussite et a permis de faire connaître de nombreux artistes et œuvres d'art de la scène.

During construction, water was continuously pumped from the excavation and collected in a concrete water collection sump. Approximately 100 gal (380 L) of water was pumped out of the excavation, depending on the weather conditions and the amount of water that was required to keep the excavation dry.
