But the thousands of inmates in the United States are the by-product of a justice system that is broken. The system is broken because it is designed to punish, not to rehabilitate. It is broken because it is designed to protect the public, not to protect the individual. It is broken because it is designed to punish the poor, not the rich. It is broken because it is designed to punish the black, not the white. It is broken because it is designed to punish the innocent, not the guilty. It is broken because it is designed to punish the weak, not the strong. It is broken because it is designed to punish the poor, not the rich. It is broken because it is designed to punish the black, not the white. It is broken because it is designed to punish the innocent, not the guilty. It is broken because it is designed to punish the weak, not the strong.

"Frequentemente si pretende, con un profundo sentido de la historia, que los europeos se beneficiaron por haberse establecido en América. Pero, lamentablemente, tanto europeos como americanos, a través de siglos, han sido víctimas de la explotación mutua. Incluso en Europa, el europeo con fealdad era una característica positiva" (Brazo, 1997). Sigue en la continuación.

Trabalhos interdisciplinares em contextos educativos caracterizam-se por serem ligados ao processo da aprendizagem e implicam os alunos e alguns dos seus docentes, que podem assumir papéis diversos. Nesta perspectiva, presidente Abel Correia do Conselho de Cooperação com Universidades, Instituições, empresas, destacou que este tema não é novo. Acrescenta que
