«Tropique», ou «l'Institut des Hautes Études du Tropique»? Mais nous préférons à ces titulaires que ne se soit un titulaire unique, dédié à l'enseignement et à l'application de la météorologie et de la climatologie aux sciences humaines, en particulier à l'agriculture et à la protection contre les spores quels que soient les noms.

"We discussed a number of issues and I think we agreed, basically, that the most important part of the negotiations was to have many, many options open to us for the next

2. In addition, the author, in his report to the Secretary of State, suggests that the present law should be amended to permit the Secretary to issue such regulations as may be necessary to implement the recommendations of the Commission.

After returning from Florida, we are to have "vacation days" with a few excursions to various noted points. "Chicago, Detroit, Toledo, Indianapolis, and other cities in Indiana, Illinois, Indiana, and Michigan are now added to our list of travel destinations. We plan just to keep on up to Illinois, where we will be staying the first night, and the next day in Indianapolis. We hope to get away from Indianapolis to the mountains of Ohio on the third, and on the fourth, hope to have the pleasure of a trip to the great lakes, Michigan, Huron, Erie, and Ontario. The expense of \$100 is a low figure, although this may not be at the end of the vacation, and we are not sure. We probably also find other hotel charges and general, personal, and family expenses, so we will have to add to the \$100.
