- 10. The Journal of the Royal Anthropological Institute

The Journal of the Royal Anthropological Institute is a peer-reviewed journal of research in human evolution, primatology, and human biology. It is published by the Royal Anthropological Institute of Great Britain and Ireland. The journal covers a wide range of topics, including the evolution of the human species, the biology of primates, and the interactions between biology and culture in human societies. The journal is known for its high quality of research and its commitment to the advancement of knowledge in these fields.

"Pioneros y visionarios de la salud valdiviana" [artículo] Erwin Haverbeck O.
